

2007-2008 University Senate Election - Institute of Technology (04/16/2007 - 04/18/2007)

195 of the 3815 eligible voters participated in this election. 5.111%

Below are the results from the April 16-18 All Campus Elections for University Senate – Institute of Technology Senator. All candidates receiving more than 1 vote are winners, which fills 2 of the 4 positions.

The final 2 positions are tied with 12 candidates receiving one vote apiece.

As outlined in the ACEC rules, the tied positions will be decided by the student group (University Senate- IT) from the list of tied candidates provided by ACEC.

Those eligible to run received the following votes:

M. Gettel	183
M. Pemberton	2
